PRA Pocket Diary 2018

Gentlemen

Just to inform all that David Scott has relinquished his duties in supplying of Diaries to the PRA and I would wish to take this opportunity of thanking him for the work he has done in the past and for the assistance he has given me (Michael Hurst), as I endeavour to take over the mantle.

As I am the 'new boy' it would be appreciated if you could, please, help me by supplying information of requirements and monies as soon as possible. I am given to understand that people take diaries with them, in September, when visiting their friends, in Arnhem so it is important to place an order, as soon as we are able, with the supplier.

The style of the diary is the same as last year with a Red flash on the front and back cover with the Regimental Badge overlaying the Pegasus and Parachute Regimental Association printed in silver with the same organiser diary and notepad.

As last year the delivered price, per diary including postage and packing will be £2.75 with a minimum order to meet this price of up to 8 diaries. This figure allows the weight to achieve the best postage rate for small orders.

May I take this occasion to ask, please, that the order information shown below is used and can you, please, ensure the PRA Branch and delivery address for the diaries is completed and a cheque covering the value of the order attached, sent to my address above, to enable the diaries to become 'self-funding' and not the Liverpool Branch paying in advance of delivery.
