FINANCIAL REVIEW

Financial position

The result for the year shows a deficit (net expenditure) of £70,853 compared to a deficit of £7,959 in 2017, the main cause of this is a reduction in investment values of £63,500.

Income for the year totalled £119,422 (2017: £119,092), this was a small increase to the previous year. Donated services and facilities from the Ministry of Defence (MOD) increased in 2017 to £54,497 (2017: £52,077). This donated services figure represents free office accommodation and the provision of employee services to the charity (the related costs are shown within the wages expenditure line on the detailed SOFA).

Total resources expended in the year amounted to £126,775 compared to £144,760 in 2017, a decrease of £17,985. The majority of the decrease was in respect of the decrease in grants and the decrease in the three regional branches. Expenditure on most other areas remained relatively constant.

Investment policy and objectives

At the year end the charity held investments, with a market value of £705,430 (2017: £731,931), with JM Finn. The charity invested a further £25,000 of cash during the year. At the year end there is a decrease in the investment value of £63,500 which is reflected in the statement of financial activities.

The Trustees have the power to invest in such assets as they feel appropriate and meet both the requirements of the charity in the short and long-term and are also risk appropriate to the charity. The Trustees regularly review the performance of its investments in line with the charity's current and future plans.

FINANCIAL REVIEW

Reserves policy

As at 31 December 2017 the charity's total reserves were £726,762 (2017: £797,615), all of which were unrestricted for the charity to use in meeting its charitable objectives. The Trustees have reviewed their current level of reserves which equate to just over 5 times the charity's annual expenditure, this ratio has remained relatively constant over the last few years, and has been mostly dependent on the fluctuations in investment performance. The Trustees consider their level of reserves to be reasonable having reviewed the economic climate and risks to the charity's income.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

Constitution dated 20 June 1964, as amended 8 July 1972, 3 July 1978, 9 May 1993, 31 October 1999, 13 May 2000, 8 July 2001, 8 October 2005, 26 January 2008, 12 October 2008, 18 July 2009, 6 July 2013, 27 November 2014, 8 July 2017 and 13 October 2018.

Organisational structure

The Chairman of the Committee of Management is a serving officer nominated by the Parachute Regiment; presently this is the Regimental Lieutenant Colonel.

Further members of the Committee of Management comprise of one representative of the following regions: Anglia, London, Midlands, North, North East, North West, South, South East, South West, Wales, and Yorkshire. These representatives are elected by branches of their own region and hold office for three years.

The Association structure comprises of:

- a) The central Association charity (registered number 214015): In support of its charitable activities the central charity offers individual membership to eligible individuals and provides central and regional support for local branches.
- b) 76 local branches which exist to further the purposes of the Association and are separately registered with their respective charity regulator. (PRA members may additionally become members of one or more local branches.) The elected members of the committee of management of the central Association charity also act as Regional Secretaries and provide regional support during the course of the year to branches in their respective region.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - Straight line over 3 years

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Where there are any restricted or designated funds a further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
