PRA Pocket Diary 2020

Gentlemen

I am writing to inform all that the Diaries for next year have been ordered and should be available from August 2019. It would be appreciated if you could, please, help me by supplying information of requirements and monies as soon as possible. I am aware that people take diaries with them, in September, when visiting their friends, in Arnhem.

The style of the diary is the same as last two years with a Red flash on the front and back cover with the Regimental Badge overlaying the Pegasus and Parachute Regimental Association printed in silver with the same organiser diary and notepad.

As last year the delivered price, per diary including postage and packing will be £3.20 with a minimum order to meet this price of 8 diaries. This figure allows the weight to achieve the best postage rate for small orders.

Two years ago we were left with a considerable number of Diaries that were not sold and the Liverpool Branch had to carry the loss so I have limited the order to 1000 which, unfortunately, will work on a "first come – first served" basis

May I take this occasion to ask, please, that the order information shown below is used and can you, please, ensure the PRA Branch and delivery address for the diaries is completed and a cheque covering the value of the order attached, made payable to PRA Liverpool, sent to my address above, to enable the diaries to become 'self-funding' and not the Liverpool Branch paying in advance of delivery. You can also e-mail me on michaelwhurst@yahoo.co.uk should you wish.
