

## ABN Party 2021.

ABN Party No 13 had to be cancelled in 2020, so we have re-arranged it for 1230-1430 on **Sat 11 September** in London and called it Party No 14. This is a great opportunity to celebrate in plush (and safe-there is a big outside terrace) surroundings. Bring your guests and come and support, not only the ABN, but Airborne Forces in general-so we do hope you will join us. It's great fun, great value and there's lots to eat and drink!

Your ticket application will be acknowledged, but no tickets will be issued. You may cancel up to 48 hours in advance, after which your ticket value will be donated to the Airborne Forces Charity *Support our PARAs*.

It really helps our planning if you book early; details are on the attached form
